The Hard Truth

# Why Most Food Businesses Fail in India

## No Clear Strategy

Starting without understanding costs, margins, or target customers

## Poor Cash Flow

Running out of money within 6 months due to underestimating working capital

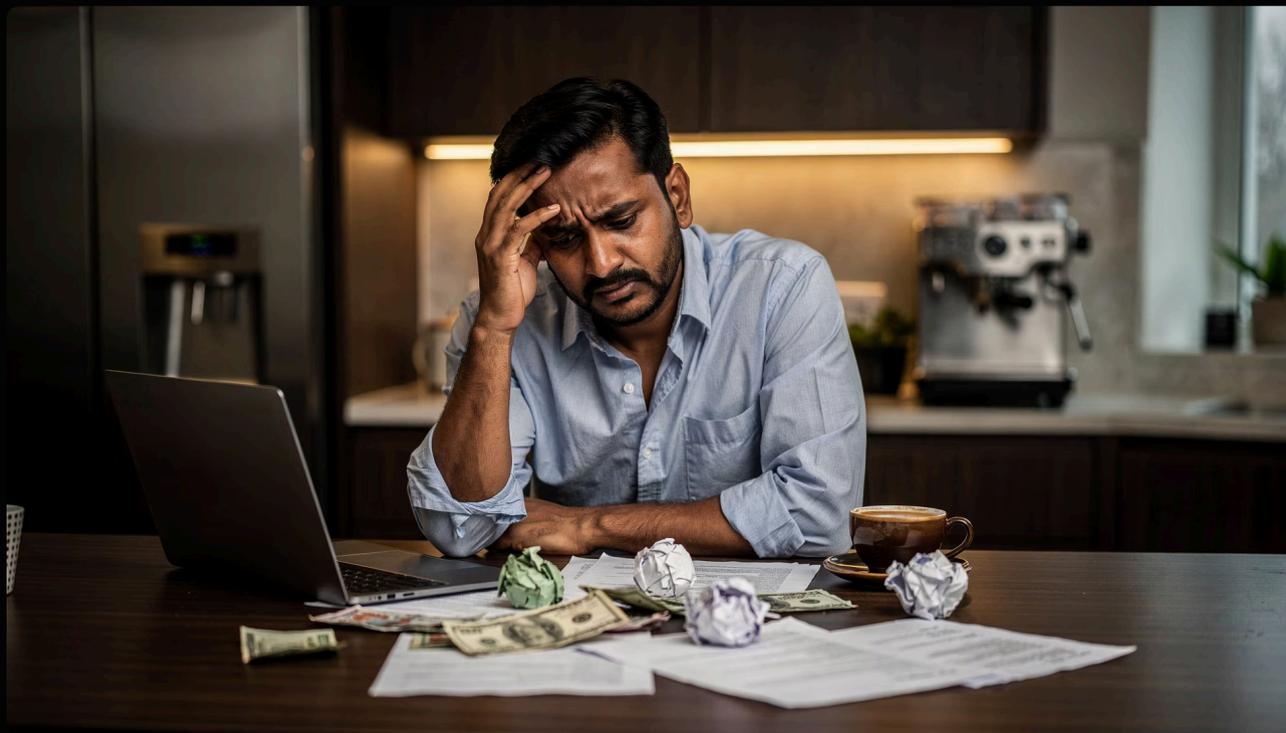

## Legal Troubles

Ignoring FSSAI, GST, and licences—leading to raids and shutdowns

## Weak Operations

No systems for quality control, inventory, or supplier management

📌 **Hidden Cost:** You could lose ₹50,000–₹2 lakh without the right system
