

Local Lead Generation & Google Maps Growth Guide

A practical step-by-step system for Indian small business owners

VYAPAARKIT BUSINESS-IN-A-BOX SERIES

Why Local Businesses Struggle Daily

The Painful Reality

Your shop exists. Your service is ready.
But customers don't know you're there.

Invisible Online

Don't appear in local searches

Wasted Ad Money

Random tactics with zero ROI

Word-of-Mouth Only

Growth limited by referrals

📌 **Hidden Cost:** Businesses lose ₹25,000–₹2 lakh monthly without a lead system

Google Maps: Your Local Goldmine

When someone searches "plumber near me" or "best salon in Pune," Google Maps decides who wins the customer

70%

Four Ways to Profit

01

Optimize Your Business

Get leads for your existing service through Google Maps

02

Freelance Services

₹8K-₹25K per client monthly for optimization

03

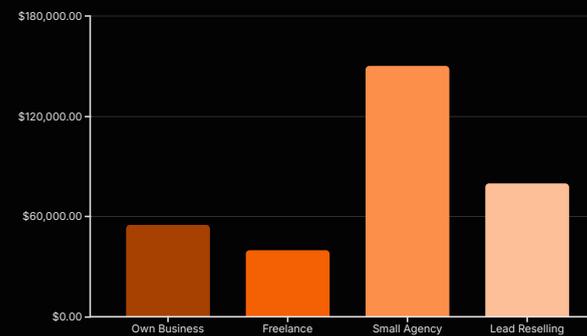

Build Agency

Serve multiple clients, ₹30K-₹1L+ per client

04

Resell Leads

Generate once, sell to multiple non-competing businesses

Start with minimal capital: ₹5K-₹15K for own business, ₹10K-₹30K for freelancing

Start Executing Today

Your 7-Day Action Plan

1

Day 1-2

Create or claim Google Business Profile. Complete every section.

2

Day 3-4

Upload 10-15 photos. Write keyword-rich description.

3

Day 5-6

Request 10 reviews from happy customers.

4

Day 7

Create first Google Business post with clear CTA.

Consistency beats intensity. Commit to 90 days of daily action. Most quit after 2-3 weeks—winners keep going when others stop.

The market is waiting. Your customers are searching right now.

Stop consuming content. Stop overthinking. Execute with one profile today.
