The Hidden Cost of Staying Stuck

Why Most Manufacturing Dreams Die

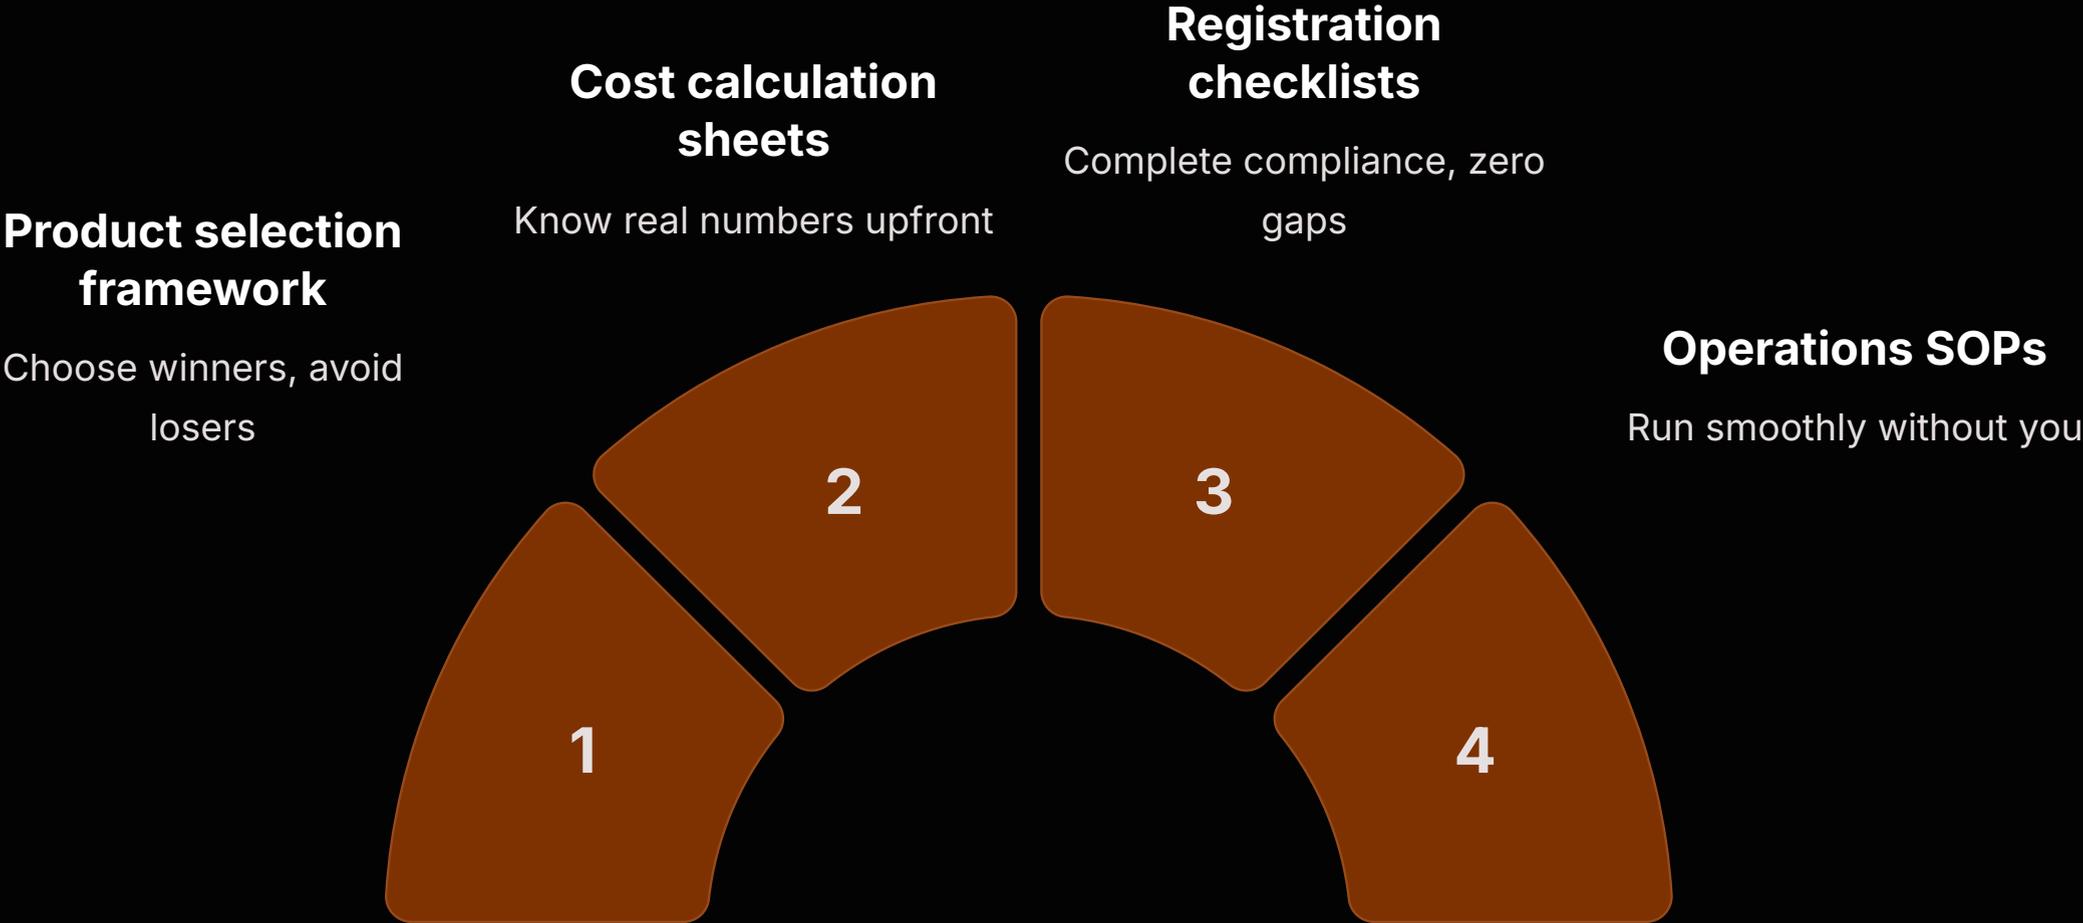

- No clear execution system—just confusion
- Capital dries up in 90 days from hidden costs
- Quality issues kill reputation immediately
- Middlemen and delays eat 40% margins
- Paperwork paralysis stops progress cold

Reality check: You're losing ₹25,000–₹2,00,000 monthly without a proven system. Every season repeating mistakes is money down the drain.
